**10.57 am (UK-Time) 05 May 2025**

Between 11.15 am and 11.30 am the Landline Phone rang many times, and this was followed by a Daily Bulletin . that I deleted after deleting the posted comment. My immediate thoughts were to have nothing further to do with these criminals operating the State of the United Kingdom and I went to sleep awaiting further communications. These did not come. I went to the gym and sent a message to Chris Wood asking if he would like to go for another day of watching Cricket in Canterbury (Kent).

At 18.00 pm, I was still alive and out of legal trouble as far as the evidence shows for no replies came from Parliamentary Administration and Public Affairs Committee or the Electoral Commission or anywhere else. There were no further postings in my websites.

Shantanu Panigrahi (He/Him) 7:51 PM

It started in a small way when I lost a lucrative career in Science, and I litigated against the employers, only to find that the United Kingdom's Constitution is very specific on rules, and not on truth and justice. So I failed in my bid, and ended up creating a Political Party to fight in elections on the tag of bringing in truth, justice and democracy into the Society of the United Kingdom. This was not a foregone matter, as the Party could not find a third Member to act on the application form to have it registered with the Electoral Commission that would have enabled me to contest in by-elections and make the Party grow.

I am not at clear why my emails and other communications to PEFOnline Party Registration keeps getting returned undeliverable as attached: FrPostmasterElectoralCommission( ARE YOU REJECTING MY EMAILS)4May2025.docx. I have already referred this matter to Kent Police for investigation and it has not been acknowledged by the Constabulary. The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next by-election in my local Constituency of Gillingham and Rainham

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here:

<https://www.theconservativelibertariansociety.com/post/kings-connect-communication>

Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.

Yours sincerely

I have just had proof (as linked here:

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service

Dear Sirs

Earlier this evening, the email I sent you below: came back to me to indicate that PEF is rejecting my TCLP-UK party registration application correspondence.

In case this was actioned in error by you and so raised doubts as attached in my mind: BEAR WITNESS TO THE COLLAPSE OF WESTERN CIVILISATION.pdf. I am offering you a final opportunity to approve the political representation of the TCLP-UK within the present Constitution of the United Kingdom.

If however this bounce was a maliciously mischievous act, I am copying this email to Kent Police for investigation, as also for the fact that Brilliant Directories has not replied to my concerns referred to therein.

Yours sincerely

Dr Shantanu Panigrahi  
Leader, TCLP-UK

Dear Brilliant Directories

1. I have been getting quite a few destructive trolling registrations for the Option 3 Free Membership and wish to monitor these with a view to sifting out those that are maliciously-engineered such as seemingly the two that I have attached to this email for your kind consideration NOTIFICATIONS FROM CONSERVATIVE LIBERTARIANS (GLOBAL) 2\_3 MAY2025 to regulate with the following replies to be sent to all who opt for the Free version:

*'Under the revised terms of the Mission of Conservative Libertarians (MOCL) in its condition for Free Membership of our website, please take note of our Mission Statement; namely that each Member of Conservative Libertarians (Vishishta Advaitists) belonging to The Conservative Libertarian Society is required to promote it within the country of their residence and outside their countries wherever they are a Registered Member with interests and contacts, both professional and social:*

*<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>*

*The promotion is to be done by your referring this mission statement to the recipients by email with no other explanations.*

*If you do not agree to the terms of this Statement and let me know by copying your emails sent to your above-referred contacts, you may withdraw your registration of the website, or we will do it for you after giving you a fortnight of Trial period under these terms for the Free membership that you have taken to be operative depending on how many clients you have sent emails to for Movement of Conservative Libertarians (MOCL).*

*Lack of acknowledgement within 24 hours will result in the cancellation of the Free website that you have initiated'.*

2. Would Brilliant Directories agree to this proposal or would it be unlawful and should not be sent. The suspect registration should simply be deleted.

Best wishes

Subject: COURT PROCEEDINGS PENDING AGAINST HMRC AND COMPANIES HOUSE FOR SABOTAGING THE CONSERVATIVE LIBERTARIAN PUBLICATIONS LIMITED IN CONSPIRACY

Dear Sirs

You have been taking the 'liberty' as you put it in the attached correspondence that I have just received from you for a number of years to cover up the crimes that are contained as linked here <https://www.knowledgeassessmentanddissemination.com/post/your-complaint-our-ref-pnx-5431495-m4n8> and updated this morning to Medway County Court as attached:

- (c) NOTIFICATIONS FROM CONSERVATIVE LIBERTARIANS GLOBAL (2-3MAY2025)Docx

For your information I am Claiming £500 million from the UK Treasury for these 27 years of State-tyranny on me and through me on my family here in the United Kingdom.

I am not accordingly filing any Company Returns nor paying any so-called penalties to HMRC and Companies House until this demand for damages and compensation is actioned by the Monarchs who organised this terror on me.

Your sincerely

For clarification, all matters that I have had to contend with as part of my struggle for Freedom from State Tyranny have been referred to the appropriate Courts of the United Kingdom; and it will continue to be added to as and when further terroristic and intrusive conduct occurs.

At this moment I do not think that you have committed any civil or criminal offence in this regard so I am not taking any action against you.

Please acknowledge service of these proceedings in case the Courts take steps to assess these matters at Medway County Court under my Claim against Kent Police J00ME572.

Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever they are and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. We are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you cannot access our information and services please get in touch with us.

You can request help and support as you consider your case or contact us in person or in writing by:

- emailing RCJ. DCO@justice.gov.uk, or central.londoncounty.dco@justice.gov.uk
- phoning our Disability Contact Officer 0207.947.6063.

To help us provide the best advice and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help you can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

In case note.

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around our building and support before the hearing.

- If you need a parking space (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.

**10.57 am (UK-Time) 05 May 2025**

Between 11.15 am and 11.30 am the Landline Phone rang many times, and this was followed by a Daily Bulletin . that I deleted after deleting the posted comment. My immediate thoughts were

to have nothing further to do with these criminals operating the State of the United Kingdom and I went to sleep awaiting further communications. These did not come. I went to the gym and sent a message to Chris Wood asking if he would like to go for another day of watching Cricket in Canterbury (Kent).

At 18.00 pm, I was still alive and out of legal trouble as far as the evidence shows for no replies came from Parliamentary Administration and Public Affairs Committee nor from the Electoral Commission or anywhere else for that matter. There were no further postings in my websites.

It started in a small way when I lost a lucrative career in Science, and I litigated against the employers, only to find that the United Kingdom's Constitution is very specific on rules, and not on truth and justice. So I failed in my bid, and ended up creating a Political Party to fight in elections on the tag of bringing in truth, justice and democracy into the Society of the United Kingdom. This was not a foregone matter, as the Party could not find a third Member to act on the application form to have it registered with the Electoral Commission that would have enabled me to contest in by-elections and make the Party grow.

It is obvious that different established religions have considerable variation in Spiritual Leaders. They not only have different original Holy Books so sacred that these cannot be modified otherwise the person modifying them would be accused of blasphemy. Islam, Buddhism, Christianity, ISKON of Hinduism, were such formulations. I cannot touch them for I have gone on a freelance yogic pursuit for the truth and from that I have formulated my Vishista Advaita Sampradaya branch of Hinduism with its unique identity and path for preaching through the Movement of Conservative Libertarians and its Holy Book:

<https://theallurementofrealityinreview.com/shop> Take it or leave it. Disciples or No Disciples, I practice what I preach as the first Spiritual Master of this Sampradaya.

Youcine APK é um aplicativo de streaming fantástico que oferece uma grande variedade de conteúdos, incluindo os filmes e séries mais recentes. O youcine download apk atualizado é atualizado regularmente com novos conteúdos, o que mantém tudo sempre interessante. No entanto, percebi que às vezes o aplicativo trava ou alguns links não funcionam corretamente. Espero que os desenvolvedores continuem aprimorando o desempenho do app para proporcionar uma experiência ainda melhor aos usuários.

Arguments for a Written Constitution for the United Kingdom  
in Conservative Libertarians-UK

<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/arguments-for-a-written-constitution-for-the-united-kingdom>

**PETITION FOR A WRITTEN CONSTITUTION IN THE UNITED KINGDOM**  
**(Working Draft 19.45 pm 13 July 2024)**

An Unwritten Constitution should not be foisted upon the people: it is wrong morally.

The reason that there is no written Constitution in the United Kingdom is that Monarchists within the State facilitate the Monarchy to become dictatorial from time to time during the course of history which would be fine if that is what the majority of the population actually wish but it should be explicitly documented into a Written Constitution. People are then fully informed on what to expect from the government that they live under. In ancient times people lived entirely in servitude so that rulers ruled as they pleased. The concept of the Written Constitution marked the beginning of civilisation.

The most useful benefit from a change from the unwritten to a written Constitution will be that it would prevent the Head of State from discharging his or her duties secretly from behind the scenes away from the public eye. The role of the Constitutional Head of State from the existing Royal Family remains unclear to this day and what is also unknown is whether the Monarch can be dethroned, or impeached in Parliament for failure to adhere to his or her duties in a moral and legal manner and what those norms should be.

Parliament's Select Committee for Public Administration and Constitutional Affairs (PACAS) should be charged with formulating these constitutional clarifications and the appropriate document for voting in both the Chambers of Parliament on whether the Monarch should have absolute unlimited powers or it should be limited as a Cultural Monarchy.

The Written Constitution must clearly outline the relationship between the Ceremonial Head of State and the Parliament at both House of Commons and the House of Lords and its connections with the Security Services that is not exclusively the Constabulary but includes MI5/MI6.

The Written Constitution should then be put to a Yes/No referendum of the population; and if there is a Yes decision from the electorate to have a Written Constitution it should be enacted in Parliament with provisions made that all subsequent amendments to the Written Constitution when these take place are through Parliamentary approval first and then must go to another referendum of the population.

The objective of the Written Constitution is therefore to keep people better informed on who is in charge of procedures of the House of Commons and of the House of Lords, what the functions of the Consultant Psychiatrists, Chief Constables of Police Forces are and who are the officials in secondary institutions of the State against whom a citizen can successfully prosecute in civil and criminal courts of the United Kingdom.

Many Conservative Libertarians in the UK argue for a written constitution to clearly define government powers, protect individual freedoms, and limit state overreach. A codified document could strengthen accountability and uphold civil liberties more effectively. For deeper reflection on justice and accountability, read [سورة الزلزلة مكتوبة](#).

subject: CLAIM VALUE ON J00ME572 NOW EXCEEDS £600 MILLION  
mailed-by: gmail.com

To

District Judge  
Medway County Court

Your Honour

1. Please note that with the entrapments attempted today by several individuals and companies to get me to activate my work for the Conservative Libertarians when it is crystal clear that it is now proven to be unlawful to do any work on it by myself or anyone else in the United Kingdom or elsewhere, the value of the J00ME572 is now outlined in the attached Particulars of Claim as being £600 million: Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi v Kent Police6Apr025.pdf.

2. I should be most grateful for summary judgment in my favour as the Claimant.

Yours sincerely

*Summary of Claim Amount:*

**The total amount claimed from United Kingdom Treasury for damages listed above is the tip of the iceberg: with the continued terrorism suffered by the Claimant the monetary value of the compensation Claim cannot be measured, but the Claimant now submits that £600 million is justified.**

Dear Sirs

You have been taking the 'liberty' as you put it in the attached correspondence that I have just received from you for a number of years to cover up the crimes that are contained as linked here and updated this morning to Medway County Court as attached:

For your information I am Claiming £500 million from the UK Treasury for these 27 years of State-tyranny on me and through me on my family here in the United Kingdom.

I am not accordingly filing any Company Returns nor paying any so-called penalties to HMRC and Companies House until this demand for damages and compensation is actioned by the Monarchs who organised this terror on me.

Thank you for your contribution to the debate on

For clarification, all matters that I have had to contend with as part of my struggle for Freedom from State Tyranny have been referred to the appropriate Courts of the United Kingdom; and it will continue to be added to as and when further terroristic and intrusive conduct occurs.

At this moment I do not think that you have committed any civil or criminal offence in this regard so I am not taking any action against you.

Please acknowledge service of these proceedings in case the Courts take steps to assess these matters at Medway County Court under my Claim against Kent Police J00ME572.

Dear Shantanu Panigrahi,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

If you require further advice about finalising and submitting this application please contact me.

Kind regards,

Josh Dunne (he/him)

Dear PAPAC  
 Forum | The Conservative Libertarian Society  
 All aspects of environmental developments that require assessment under the scope for the Society's interactions...

I am not at clear why my emails and other communications to PEFOnline Party Registration keeps getting returned undeliverable as attached: FrPostmasterElectoralCommission( ARE YOU REJECTING MY EMAILS)4May2025.docx. I have already referred this matter to Kent Police for investigation and it has not been acknowledged by the Constabulary. The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next byelection in my local Constituency of Gillingham and Rainham

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here:  
<https://www.theconservativelibertariansociety.com/post/kings-connect-communication>

Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.

Yours sincerely
